

## Prospero Food PT Mandala PrimaMakmur

PROSPEROFOOD was started under PT Mandala Prima Makmur that was established in the year 2000. Our products can be categorized into B2B products, retail ,and agro products; which can also be divided into cocoa and chocolate products, as well as coffee and food products. There are several variations available for the cocoa and chocolate products along with the brands, with cocoa powder (DRITTO and DIVES brand) being our top selling product for the B2B category. In the retail category, our top selling products are our Prospero Realcho premium chocolate drink, Chobayoo Coffeeball, and the Belilagi Freeze Dried snacks from our coffee and food products. Along with these products, we have more variations available to suit our customers' needs in the form of basic food ingredients, drinks, snacks, and confectionery chocolate. PROSPEROFOOD's B2B service covers both local market as well as international market, with export taking a higher percentage of the service. On the retail side, our products are sold through e-commerce platforms, several outlets, and export.
