

Whole Chips is a brand that focuses on providing chips that come with their natural flavor for consumers to enjoy a guiltless snacking experience. Established in 2020, having the proper factory certifications, the brand is ready to go international.

In the area of values, we make sure that our products are free from Gluten, MSG & Preservatives. All of Whole Chips products are made with Coconut Oil and it gives the best fibrance of its natural scent. With only Natural Ingredients, we are using the best methods of maintaining the least amount of moisture in the chips post production and sealing the chips inside the best quality packaging.

In April 2021, we are going to ship our first container to California, United States and plan to enter other countries in the coming years. In Indonesia, we are entering all national modern trade supermarkets such as Grand Lucky, Food Hall, Kem Chicks, Ranch Market and more. Following with Tokopedia, Shopee and other online ecommerce as our online fulfillment platform to our customers.
