Marbel & Meuble Galeri or MM Galeri is a stone specialist with innovative cutting-edge techniques and design since 1992. MM Galeri is a leading stone supplier in Southeast Asia, with 700,000 m2 stock of stones.

We provide a wide range of natural stones for architects, interior designers, furniture craftsmen, developers, and individual home owners across Indonesia, Singapore, and other countries.

We provide Bended Marble, State-of-the-art 7-axis CNC, Economical Marble (8 mm thickness), and Sublime Craftsmanship. Our most innovative inventions are Bended Marble Technology and Economical Marble.

Through these inventions, we managed to make the stone more lightweight and flexible.

Over the years, we have received recognitions from both public and private institutions for our innovative craftsmanship. We have received many awards such as Singapore Interior Design Award for 2 consecutive years in 2018 and 2019.

We aim to continuously operate as a world-class stone specialist, thus, we keep on innovating, keeping up with the latest trends and technologies available.
